What

A WikiSuite [Unconference](#), which includes events for the various [Software Components](#)

When

Friday September 7th to Wednesday September 19th (12 days). With some parts more official, and some parts more optional.

It is highly recommended to stay longer and participate to:

- [September 15th is the "Journée internationale du logiciel libre 2018 à Montréal"](#) (International day for Free software in Montréal)
- [September 15-23, is the Semaine québécoise de l'informatique libre \(SQiL\) 2018](#) (Free software week in Montréal).
- [September 24-27 is ApacheCon](#)

Where

Montréal, Québec, Canada,

How much

It is free to attend this event.

For visitors, you may need a visa and/or an ETA

The process has changed recently. So you may need a visa and/or an ETA:

<https://www.canada.ca/en/immigration-refugees-citizenship/news/video/electronic-travel-authorization-what-you-need-know.html>

<https://www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada/eta.html>

If you need any help to get a visa, contact Marc Laporte

Lodging

- We have lodging available with local community members so just get in touch with Marc Laporte for more information.
