Matomo

Matomo (formerly Piwik) is the leading free and open source analytics platform. It is the primary alternative to Google Analytics and is focused on data ownership and user privacy protection. It is customizable, extensible through plugins and themes, and scalable for high-traffic websites. The source code of Matomo is available under the GPL version 3 software license.

Operating system: Comparing 4 rows

	■ iPhone (Visits) between 2639 and 4859, + +65% over the period
nonto a	Android (Visits) between 1972 and 4077, ↑ +10% over the period
	■ iPad (Visits) between 463 and 1263, ★ +117% over the period
t	iPod (Visits) between 134 and 235, + -8% over the period
