FOSDEM 2017

The event was a big success. Check out the pictures at: https://tiki.org/TikiFestFosdem2017

These events are open to all, and especially designed for those interested in WikiSuite or any of the following apps:

- ClearOS
- Tiki Wiki CMS Groupware
- Openfire / Jitsi Meet
- Syncthing
- Elasticsearch
- FusionPBX / FreeSWITCH
- Xibo

Core team members of some of these projects will be present!

If you have any questions or trouble finding the group, you can SMS Marc Laporte at +1-514-995-6272 or email: marc.laporte@wikisuite.org
