Privacy Policy

What information do we collect

We collect information from you when you register on the website or fill out a form.

When registering on our website, as appropriate, you may be asked to enter your name, name or email address. **You may, however, visit our site anonymously.**

We do not collect any sensitive information such as Credit Cards, Bank Accounts etc.

What do we use your information for?

Any of the information we collect from you may be used in one of the following ways: **In any case we do not disclose the information of our users to any third party**

1. To personalize your experience (your information helps us to better respond to your individual needs)
2. To improve our website
3. Send periodic emails (we never spam and only send important emails periodically to our website members)
4. To administer a contest, promotion, survey or other site feature.

How do we protect your information

We implement a variety of security measures to maintain the safety of your personal information. Please check security

Do we use cookies?

Yes, The cookies we use only contain anonymous information to improve the services we offer, and do not contain personal information.

Third party links

We may include or offer third party products or services at our website. These third party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these third party websites. However all of our linked websites are responsible and have similar polices to protect user data as ours.

Your consent

By using our site, you consent to our privacy policy.

Changes to our privacy policy

If we decide to change our privacy policy, we will post those changes on this page.

This policy was last modified on 24 March 2018

WikiSuite: The most comprehensive and integrated Open Source enterprise solution.
