WikiSuite Blog

To the WikiSuite community,

Today, we announce that, going forward, WikiSuite will become supported on all major Linux distros (CentOS, Ubuntu, Debian, etc.) building on the experience gained with ClearOS. This has been happening for several months n

In April 2020, Grant for the Web announced a public call for web monetization project proposals eligible for one of three levels of funding: Spark, Mid-Level, and Flagship. In less than two months, applications were received from 286 applicants.

Filmed on February 26th, 2020

Here is the handbook mentioned in the video:
