

Version Lifecycle

What is the support period?

- Each component has a different support period. For now, the supported versions are the latest stable versions of each [component](#). In the future, we will add a Long Term Support (LTS) for the reasons explained at <https://tiki.org/Versions>

Below are the policies of each:

- ClearOS: https://www.clearos.com/resources/documentation/clearos/content:en_us:announcements_releases_clearos_end_of_life
- Tiki: <https://tiki.org/Versions>
- Elasticsearch: <https://www.elastic.co/support/eol>
